

18TH WORLD FEDERATION OF CHIROPRACTIC BIENNIAL CONGRESS

held in partnership with the
DANISH CHIROPRACTORS' ASSOCIATION

2025 May 7-10

Tivoli Hotel & Congress Center, Copenhagen

The World Federation of Chiropractic (WFC) and the Danish Chiropractors' Association (DKF) are delighted to announce that the 18th WFC Biennial Congress will take place in the enchanting Nordic city of Copenhagen.

Famed as being the birthplace of Hans Christian Andersen, this Congress will truly be a fairy tale event, timed to coincide with the centenary of the DKF and promising to be the largest ever gathering of chiropractors in a European city.

The theme of the Congress will be The Legacy of Chiropractic, celebrating the achievements

of the past, the momentum of the present and the vast potential that awaits us in the future.

The 18th WFC Biennial Congress promises to cement its credentials as the most prestigious chiropractic global scientific meeting, within a country that is seen as one of the powerhouses of chiropractic research.

There will be something for everyone in Copenhagen, with diversity featuring front and center. Save the date now and look forward to immersing yourself in an unforgettable chiropractic experience!
